- 3 day Reef and Beach sea kayak, snorkel and beach camp tour (2 nights camping)
- 1 day tour swimming with Ningaloo's famous Whale Sharks
- 3 nights accommodation (twin share) and breakfasts at 4.5 star Mantarays Ningaloo Resort
- All Meals

The Tour: The 4-Day Reef and Beach tour is perfect for those seeking a real adventure, with a taste of luxury! Begin by checking in to your pre-booked accommodation at 4.5 star Mantarays Ningaloo Resort on Monday afternoon. On Tuesday morning, we will pick you up at 7.45am to begin your Reef and Beach adventure. Over the next 3 days you will sea kayak in the sheltered, turquoise lagoons of Ningaloo Reef, snorkel numerous amazing sites, and in the afternoon land your kayak at your very own deserted wilderness beach camp. Watch the sun set, and sleep under the stars in Cape Range National Park. Dusk and dawn are our favourite times to experience the Ningaloo coastline, so why not come and share the magic? Turtles, rays, dugong, dolphins, reef sharks, myriad reef fish and an abundance of marine life make Ningaloo a brilliant place to kayak and snorkel. On land we also regularly see kangaroos, wallabies, emu, echidna and birds of prey. Three days exploring Ningaloo in a self-sufficient kayak equals a sensational experience!

At the end of the Reef & Beach tour you will return to Mantarays Ningaloo Resort to relax and recharge for the next leg of your adventure. Tonight you have dinner on us (to the value of \$70/person) at Mantarays Resort Restaurant.

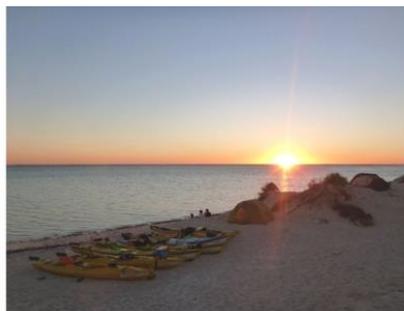

Our partners at Ocean Eco Adventures will pick you up after breakfast on Friday morning for a day swimming with majestic Whale sharks, a once-in-a-lifetime experience. Return to Mantarays in the afternoon to unwind and relax. On Friday evening enjoy a delicious set-menu dinner at Whalers Restaurant. Tour ends with check out from Mantarays Ningaloo Resort after breakfast on Saturday morning.

Sea Kayaking and Snorkelling: The sea kayaking takes place inside the fringing reef, where the lagoon is rarely more than 3m deep - perfect for spotting wildlife and snorkelling. After your guide gives you the all-important paddling instruction and safety talk, we launch the kayaks and travel along the coast at a relaxed pace, stopping on secluded beaches for morning tea and lunch as we go. Be amazed by turtles darting around your kayak, look for the silhouettes of rays as they rest or forage in the sand. We usually paddle the coastline from Osprey Bay and head north with the prevailing winds, finishing at Ned's Camp or Mangrove Bay.

Each day provides fantastic snorkelling opportunities. At some sites we land the kayaks on the beach and swim a short distance from shore, at other sites we anchor or moor the kayaks and slip over the side. We have discovered some excellent 'un-named' snorkel spots that are accessible only by kayak.

Beach Camping: These 3 day tours are perfect for the person looking to immerse themselves in the beauty of Ningaloo. Each afternoon we pull up our kayaks at a different deserted beach, and, in between stories of the day, set up our camp for the night. Afterwards, you may choose to go for a relaxing stroll along the beach, read a few pages of a good book, grab some snacks and a drink and settle in for a west coast sunset, or just relax and reflect on the beauty of your surroundings.

We endeavor to make your camping experience as comfortable as possible, with self-inflating mattresses, tents, sleeping bags and liners, camp chairs, we even provide inflatable pillows! This tour is the perfect choice for those looking for an adventure and to immerse themselves in the wonders of Ningaloo Reef and Cape Range National Park.

FAQ: Minimum age is 8 years old. Non-swimmers are welcome, all guests wear PFDs (lifejackets) whilst kayaking and are welcome to wear them whilst snorkelling if needed. Minimum 2 persons needed to confirm tour departure. We usually paddle anywhere between 4 and 14 kms over the day, depending on how the group is travelling and prevailing weather conditions. We aim to provide the opportunity for 2 snorkels at different locations throughout the day. This tour is 'expedition camp' style, meaning we carry all of our gear with us in the kayaks, and set up camp at a different location each day. The campsites we use are un-developed with little to no established facilities, therefore bush toileting may be required. Access to fresh water for washing is limited as we carry all our fresh water in the kayaks. There is no mobile phone reception in the tour area, we carry a satellite phone for emergencies.
